three and four bedroom new homes

Let the sea set you free

Find your freedom at Baird Place

Perfectly positioned, overlooking the charming seaside town of Hastings and with panoramic views across the English Channel, Baird Place is a contemporary collection of two, three and four bedroom homes, ideal for those who love the coastal lifestyle.

These attractive homes are light, airy and spacious within, with the elegant board cladding of the exteriors reflecting a more traditional local Sussex architecture. These features, coupled with the convenience and luxury of the very latest in modern fixtures and fittings, makes these homes ideal for young professionals, growing families or even downsizers; there's a home here for everyone. Baird Place sits in an elevated position above the town of Hastings, with many homes enjoying magnificent sea views, as well as being in close proximity to the beach.

Come and discover the freedom of living at Baird Place. You have a choice of two, three and four bedroom homes, which are all available to buy via Outright Purchase, or with Help to Buy. In addition, there are two and three bedroom homes available to buy with Shared Ownership, so there's plenty of purchasing options, making a buyer's life a lot easier.

Life's better at the beach

Most people associate a visit to the seaside as something of a treat, to be enjoyed whilst on holiday, but for the residents of Baird Place it's a day to day reality. This enviable location provides plenty of opportunities for all age groups to enjoy an active lifestyle whatever their interests. Whether you're a sailor, surfer, swimmer, historian, or just someone who enjoys beautiful walks or building sandcastles with the children, you'll find the freedom and facilities to indulge yourself at Baird Place.

Hastings boasts a lively local arts and music scene, plus regular local events, including the Coastal Currents Arts Festival, Seafood and Wine Festival, Pirate Day, Jack in the Green Mayday Festival, Hastings Day Bonfire and Fireworks, and local summer carnivals.

There's a beautiful shingle beach running from Hastings Old Town, past the town centre and stretching as far as nearby St Leonards-on-Sea, where you can find the unique net huts where fishermen traditionally stored and mended their nets, alongside the local beach-launched fishing fleet which is still the largest in Britain.

Hastings Old Town itself sits adjacent to the town centre, to the east, and enjoys a delightfully bohemian flavour, picturesque architecture and a wealth of character.

With the town surrounded by the rolling Sussex countryside, the whole family is spoilt for choice when it comes to local attractions and activities. Along with the nature reserves, Sites of Special Scientific Interest and the beautiful Hastings Country Park Nature reserve (home to a breathtaking variety of wildlife and biodiversity) as well as the beautiful seaside, Baird Place is a wonderful place to live.

There really is so much to do for all the family in Hastings and the surrounding area – let Baird Place be the place to set free your imagination.

Hastings Country Park Nature Reserve

If it's culture you're after, you can enjoy the beachfront Contemporary Art Gallery located in the Stade on Hastings seafront, plus the Hastings Heritage Museum and Fisherman's Museum. And who can forget the historic 1066 story and Hastings Castle set on the West Hill of Hastings – the ultimate story in our English Heritage. To add to this list, the naming of Baird Place was in recognition of the renowned inventor John Logie Baird, who was the first to accomplish a live TV transmission from Hastings – take a look into Queens Arcade in the town centre, and you'll find some historical information relating to this.

Hastings, steeped in history and home to stunning architecture, has provided the backdrop to many film and TV series, including Foyle's War, largely set in Hastings Old Town, and the film of the famous Canadian conservationist Grey Owl who was born in Hastings. When you explore the local area, you'll discover numerous blue plaques signifying points of interest and historical highlights.
